### QUALITY STANDARDS

At Pandora, our promise is to provide quality insurance protection for individuals, families and businesses. We strive to provide superior customer service with competitively low rates!

Our standards are the same for our franchise owners; we offer low startup costs, high potential ROI and unparalleled support

from our corporate team. At the end of the day, we are not investing in the number of franchisees we could have, but rather in the right franchisees. Your success is our success.

### FRANCHISE SUPPORT

As a franchisor, the Pandora team is available for administrative, marketing, operational and any other support needed to put your location on track. Prior to opening, we implement a comprehensive 2-week training program and on-site support to further your confidence as a franchisee. Pandora also offers exclusive territory rights to our franchises, with an average 50,000-100,000 population base per location.

*Talk about potential!*

## MARKETING SUPPORT

Pandora is a well-established brand with an established brand identity. We have a marketing framework to help your operation run smoothly. Not to mention, our marketing ad fund contributes to the nationwide advertising and marketing campaigns to consistently build and sell our services.

## CUSTOMER LOYALTY

Utilizing insurance is one of modern life's necessities for people and families of all ages and backgrounds. Our tailored process allows customers to get coverage exactly where they need while spending less time worrying and more time living their lives stress-free. The trust Pandora build with our customers often

leads to word-of-mouth referrals and repeat customers—both ensuring a consistent revenue stream.

## OPERATIONAL SIMPLICITY

With reasonable overhead and start-up cost for a business of this type, Pandora Insurance has a fast, high profit and ROI potential for a franchise owner. Our turnkey model allows any entrepreneur to become a business owner regardless of experience level. If you are a results-oriented, driven self-starter, this could be the perfect business path for you!

**WITH THE PANDORA INSURANCE SYSTEM,  
OWNING AND OPERATING A PROFITABLE  
BUSINESS HAS NEVER BEEN EASIER!**

## Franchise With Us

Pandora's turnkey business can be taught to anyone who is motivated and willing to learn. Success in the insurance industry largely depends on the site's reputation and commitment to the customers themselves. An ideal franchisee has a comfort level in the sales and marketing process, while fitting into our entrepreneurial culture:

## Licensing Courses

As of Summer 2023, the Centers for Medicare & Medicaid Services (CMS) have updated their licensure validation process. To ensure our agents have an approved health-related LOA, compliant with the resident state, Pandora Insurance has established our Agent Licensing Courses.

Our online courses offer a one-on-one tutoring service, preparing our agents to obtain their 2-15 Life and Health licensing. Each agent is fully reimbursed their course expenses after contracting with
